

Streetscape Concept: S Othello St (MLK Jr. Way S to Rainier Ave S)

Streetscape Alternative 1:

- one travel lane in each direction
- parking lane taken out
- add bicycle lanes to both sides of street
- add pedestrian lighting and street furniture (along Othello Playground)
- street would need re-striping, parking signs taken down, and "no parking" signs installed
- design can be achieved within the existing ROW

Streetscape Alternative 2:

- one travel lane in each direction
- existing parking lane maintained
- add sharrows to both sides of street
- street would need re-striping only
- add pedestrian lighting and street furniture (along Othello Playground)
- design can be achieved within the existing ROW
